AAWAMB VOLLEYBALL TRAVELS TO ATLANTA

AaWamb volleyball has reserved 16 rooms at the beautiful Hawthorn Suites/Wyndham. (Reserve by calling 1888-536-8326 Conf # THS134709) The coaching staff as well as the players will subsidize in 7 of these rooms leaving **9 available rooms** for our parents. Below is a breakdown of the cost for the rooms for our parents to stay as well as the cost for our athletes. In order to play in this tournament, we had to reserve a minimum of 5 rooms per team so it is very important that we fill these rooms. (Rooms will be dispersed in a **first come first basis**!)

The cost of the rooms for our parents, will be \$99.00 for two queens or I have one suite for \$109.00, for the three nights. This price will include all taxes, a full breakfast, each morning and parking. Most hotels closer to the civic center charge \$15.00 to \$30.00 a night for parking and only come with a continental breakfast; this was the best deal I could find in the area. If you find another couple to share the room with the price is very affordable; let me know if you would like me to pair you up with another couple.

The cost for the hotel for your child will be \$72.00 for the three days. This covers their hotel and three breakfasts. The kids will need additional money for other meals during their stay and maybe a few dollars for a tournament t-shirt. I recommended giving the girls \$8.00 a day for lunch and \$12.00 a day for dinners. I realize this tournament is expensive, but I promise it will be an experience that they will always remember. (I will need all hotel money for your kids turned in by Feb. 10th and you will need to hold your rooms by the 15th.

- > Two Queen Beds in all rooms.
- > Full Breakfast
- > Hot Tub
- > 12 miles from The GA World Congress Center
- > Free Parking
- > 25 miles from Stone Mountain

Please let me know if and when you are reserving a room, I would like to keep track of the parents going for chaperone purposes and transportation.

If you would send me a email stating you are getting a room and you will be able to bring a child or two in your vehicle that would be a huge help! I want to get a transportation list together as soon as possible. This tourney is a big one, over 1000 teams; lets get organized with this one as quick as possible.

Thanks,
Tim
